Activities

News Hour Discussion

Once again, we have a wonderful group to practice speaking, listening and reading skills in the American Space. If you like being up-to-date on current events, you want to learn how to better express your ideas with native speakers of English, then these weekly sessions are for you. Topics revolve around the latest news and guided discussions and are open to speakers of any language.

Conversation and Game Time

On Fridays we will focus on practicing English through free conversation and gaming. Join us to work on your language skills and have fun with cards, board games and language practice. Remember you're never too old to enjoy an hour of fun here in the American Space Valencia.

One-to-One English

On Thursdays we have a group of native English speakers who will volunteer to help you with English projects, presentations and preparation for exams. A great opportunity to learn more about the USA, practice English in small groups and make new friends with the Americans!

Family Fun Time

This month we will celebrate autumn, families and Thanksgiving with Fractals Artistic Education! Youngsters and the young at heart are welcome to share a lovely Friday afternoon with us at the American Space! We will learn about American customs and traditions, do arts and crafts, read poetry and books, and listen to great music!

Toastmasters

Do you want to become a confident public speaker and strong leader? If so, Toastmasters is the place for you. You'll find a supportive learn-by-doing environment that allows you to achieve your goals at your own pace (<https://www.meetup.com/es-ES/Valencia-Toastmasters-Public-Speaking-Meetup/>)

Lean in Circles

Circles are small groups of women who meet regularly to learn new skills, network, and encourage each other. Circles can be groups of friends, co-workers, neighbors—anyone at all. Because Circles are a place where women can be unapologetically ambitious, give voice to our dreams and get the push we need to start chasing them. They're a place to share ideas, learn skills, and seek advice. Most of all, they're a place to help each other become our best selves. Whatever your goal—whether you're working toward a promotion or building your confidence, reentering the workforce or starting a business—your Circle will help you get there.
